

Learn to graft at Werribee South

*17 Aug 11 @ 01:13am by Fiona
O'Doherty*

DOES anything taste better than the
apricots from grandma's tree?

Perhaps you should attend a grafting
workshop this Saturday at Werribee
Park Heritage Orchard with orchard
group horticulturist Richard Hawkey
and ensure those apricot and other
favourite fruit trees continue to bear.

The workshop is from 10am to 2pm at
K Rd, Werribee Park, Werribee South.

Heritage fruit trees will be available for
sale, with proceeds aiding restoration
and maintenance work at the 1870s
orchard.
